About Asahi Global Procurement

- We selected Singapore as our location for its strategic and geographic advantages, including its diversity and proximity to numerous global functions.
- The purpose of AGPRO is largely to streamline Asahi's procurement management as an integrated business.

1

Leverage local strengths

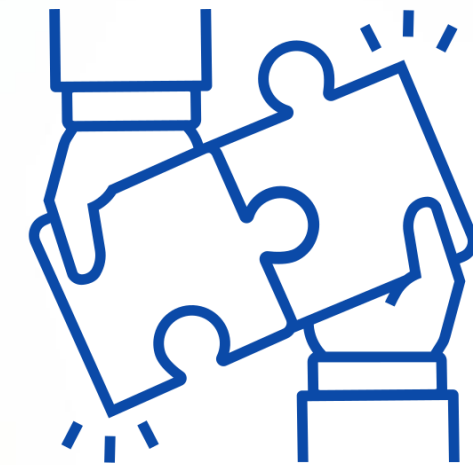

2

**Empower leadership and
local champions**

3

**Build trust through
collaboration**

4

**Let culture multiply
impact**

5

**Establish a shared
baseline**

6

**Position ESG as a
business driver**
